**LIGHT'r & LIGHT'R: Higher & Higher & Deeper Within
to EXPLORE and DREAM Your REALities into this Physical too!**

Are You FEELING it, SEEing it, EXPLORING and EMBRACING it too?
Do you know what that is? It's POWERFUL, EXCITING AND "NEW!"
And it's all in RESPONSE TO YOU! ♥

Aloha beautiful Star-Light BEing Family!

OFF-THE-CHARTS....

That about describes these powerful gateways that just keep blasting wide open all week!

How are you LOVING EXPLORATION into your own multi-dimensional EXPERIENCES too?
How much magic do you experience and how much of your "stuff" (distortions) do you recognize to move through, process and "move out"?

How quickly are you able to recognize, own and then choose, release/shift? How much do you try to hold onto the "old" and how much of the "new" (opportunities and ideas) do you resist?

These POWERFUL GATEWAYS take each in every direction.... deeper inward, more expansion of consciousness, full-frontal "dealing" and weeding through any inner-tangled energy to untangle and untether from.... while staying wide open for your NEW, stepping up in every moment, resting more and LEARNING ALL NEW WAYS OF FUNCTIONING...

Collectives awakening to their BODIES now being a part of the "picture"

... their memories going, their emotions "off the charts", as Cosmic Awakening and Askash Clearing increases, it's different for each, depending on the amount of separation/density/cellular programming still held.... so each's experience is different too.

I've been observing so many saying "I don't understand"... this is because each is still "trying" to use their "brain" to figure things out and their "human eyes" and ears to hear/see... instead of going deeper inside and connecting to/through their own NEW INNER VISION to ACCESS their "new truths".

As many's memories go and linear thinking no longer works, a whole new WAY of "thinking" must be "learned". This took me a bit, and my ego struggled with not being able to "do" like I did before. What used to take 5 minutes or was instant, would take me all day to "figure out". I had to learn to "sit" and "wait" to see, until the answers came from within, until my pineal gland would open and I could actually SEE from within. This takes practice and much dedication and alone time..... as our whole body is involved in the process of THINKING and SEEING here.

As I cleared all of those distorted emotions, clarity came in more ways. As I learned to sit and tune and listen and be open in EVERY WAY... I started to UNDERSTAND and SEE how all worked....

A DREAM INSIDE A DREAM INSIDE A DREAM...

AN ILLUSION INSIDE AN ILLUSION INSIDE ANOTHER ILLUSION...

IT TAKES A LOT OF PATIENCE and HONORING to TRANSITION TO NEW EARTH

The moments magical and such JOY, in order to HOLD THIS within me, meant CHOOSING what to allow and SEEING what I could not see before. In every moment... new awareness, new understandings and nothing like I "thought". This magical existence meant many things and my ego didn't like one bit of it... so I had to "learn" everything all over again.... and throw out everything I learned before/thought.....

THIS POWERFUL GATEWAY is just the beginning.... for a whole new COLLECTIVE EXPERIENCE where each TRANSITIONS to a whole new way of doing everything....

Our sleep
Our work
Our foods
Our relationships
How we Support Ourselves and Each other
Where we live
Our Bodies
Our physical world things
Our-selves
EVERY REALity that we actually experience and "SEE" from within

**As You SLEEP to AWAKEN from your own DEEP SLUMBER/SLEEP
to Dream, Imagine, Explore, Create
Open those Multi-Dimensional Portals for Access from Within
Everything is BIRTHED COMPLETELY ANEW**

In every moment... all previous moments GONE.... that which used to have appeal/resonate, no longer does. Shifting, drifting and tingling.... our bodies ignite in LIGHT.... energy moves, our bodies weaken as PHOTONIC LIGHT restructures our DNA and every cell on a Quantum Level... Linear capabilities go....

EMPTY DATA-BANKS AND BLANK CANVASES

This is how your new body template works and how your lives will be... each day... ON NEW EARTH

IMAGINE - YOU CAN PAINT ANYTHING YOU DESIRE FOR YOUR HIGHER DIMENSIONAL CURRENT EXPERIENCES HERE

THIS WEEK WE EXPERIENCED an Akashic Wipe

The first I've observed and felt on a collective level this far. I was driving home one morning and decided to stop and take photos of the beach... the pristine ENERGY and surreal'ness is always soooooo magnificent

WALKING THE WAKING DREAM....

Is our awareness in every moment.... and knowing that this is possible for everyone to EXPERIENCE as each is truly ready to BE/HOLD LIGHT WITH EVERY BREATH....

THE ONLY REALITIES THAT "CARRY OVER"

...are the ones that are fully aligned and serve our highest purposes on a Soul Level for all of hUmAnITY... some will play out for awhile, as there are things to complete and "learn". Gaining access to seeing TIMELINES changes how each "travels" through each day though, as you SEE all from present moment/Zero Point, you will stop INVESTING YOUR TIME/MONEY/ENERGY in that which you realize has already collapsed.... and you'll collapse it in this moment and allow for all new realities to OPEN UP

OUR HUMAN ASPECT IS LAZY... it won't even try to go beyond the linear ways

Observing collectives awakening to having to start to "think" for themselves, the words are **DRONES WAKING UP**.... for a metaphor to apply. So many "unable" to "think for themselves", still trying to get things "done for them", instead of FIGURING ALL OUT... which takes effort, exploration and going beyond the linear constructs and boxes "where all was laid out before"..... Waking up out of a program is challenging for each for awhile as each awakens from the old linear illusion for **Higher Mind Consciousness** to evolve/come online.

As Your Higher Self

Sit....

BE....

Observe...

and then figure it out.... Click that button, explore and go look for the answers... as they are not always provided externally anymore (except where your UNIVERSAL HIGHER ASPECTS OF YOU "APPEAR" TO GUIDE/ASSIST/POINT YOU INWARD MORE) or you "need" a shock, jolt or whammy to shake/wake you up.

Your mind's eye actually opens up for your new VISION to come online... THROUGH YOUR WIDE OPEN, ATTENTIVE and observing heart/soul....

You have to go that extra mile, take those extra steps to expand for your higher mind consciousness to come online...

Go figure it out... go deep inside and sit and wait until you "see" what to do or where to go.... Listen to your inner/higher guidance/access and let it guide you for your "next steps". For awhile, it's a slower process, because you are "learning" HOW to be/do/function with your evolving (Light Processing) body in all new ways...

Nothing is going to be/work like it did before.... it's ALL NEW WAYS

How your body functions, what it needs, how you engage/inner-act, where your INFORMATION comes from, how you support yourself.... every part of our lives re-worked.... for us all....

WRITE YOURSELF REMINDERS..

.. as when you are shifting in-between dimensions, the **amnesia can be "thick"** for awhile (foggy groggy and veils dissolving), until you have fully acclimated/integrated to that new vibrational dimension with your whole body.... to be able to maintain/sustain and not forget/go unconscious again.

Start yourself a **Multi-Dimensional Transitions Journal/Book** and write down the things you need to remember (passwords, bookmarks, links, important commitments), as you won't remember some of these things "until you come out on the other side".... which can take awhile, depending on how deep you have to go to access your own SOUL and awaken fully with your whole body. The rest, let it all go. It's old baggage and you cannot take that with you, nor will you be able to conform to old linear constraints and constructs anymore.

This week has been the **most BEAUTIFUL ENERGIES EVER**.... and we continue to increase the photonic activity for integrating constantly. Resolving old timelines, moving lots out and constantly accomplishing the new...

It's been a most important week as Gatekeepers. I've not been able to complete all of the writings I started, because of my schedule, so I decided to send out some love with this and complete them as my own schedule permits. I'll post some this week for you all!

Such an **EXCITING "TIME"**.... this is what we all came here for.... standing in your Sovereignty, learning new things, not giving your power away anymore and not having to rely on others to figure things out within yourselves....

UNITY

LOVE

IT WASN'T EASY, GOING THROUGH ALL OF THE TRANSITIONS FOR YEARS

... all the heavy duty clearing I had to go through, all that deep heavy duty matrix programming in my own body and awakening to realities that challenged our sanity and presented to challenge every aspect of my ego self.... awakening from all the distortions and dis-illusioning myself to **CREATE** a whole new Illusion, one that aligns with **PURITY**, honor, integrity, service to humanity and radiates out **LIGHT CODES** just by **BEing** and **SHARING** the knowledge that others didn't have access to yet....

THIS TAKES DEEP DEDICATION by each one of us... to go deep inside and "make that connection" and hold it... in every moment and become **PURE SOURCE LIGHT**... with a physical body... and function in an actual physical reality that radiates back the infinite beauty, magnificence and abundance that we become....

This is a ANOTHER POWERFUL WEEK we've entered into

The "day out of time" (which is how we live, so we don't notice much, the Galactic New Year and then the BLOOD MOON ECLIPSE... just to name a few, with sooooo much more going on than that.... as we move further through the POWERFUL LIONS GATEWAY... for much higher dimensional everything to open up!

YOU REALize the opportunities, realize what's available, realize all that is always ready and available as you are. WE are in "constant REALIZATION" FREQUENCIES... where the MOMENT you realize, you then have the power to shift, change, re-write reality.... right then/now.... how awesome is that?!!! :)

This COSMIC RE-WRITE accelerates all.... so grab your happy, your excitement and your readiness and you go deep inside to see and figure all out.... because this is how all works. ♥

Magical blessings from our beLOVED LeMURia Kauai,

♥ Lisa ♥
