**Are YOU Intentionally Expanding YOUR Consciousness into ACTUALLY LIVING Your Highest Aligned DREAMS?**

**Writing Your Own REALity as Light to Live Here**  
♥ This is YOUR Dream to LIVE - Literally ♥

Your LightBody gives you Abilities You did not have before

Then it's "time" to Learn to Master all As Light Energy, while creating and building ALL NEW realities here.

As your Higher Consciousness Quantum DNA activates, it re-writes your realities... Literally.

**Aloha beautiful Star-Light BEing Family!**

*p.s. Remember, challenges are to resolve all human limits and old beliefs that you hold. Alternate realities are available as you see new alternatives to your old ways.... Your old ways are your Old Earth realities.... expanding fully activates those Light Codes for your own Alternate Realities to become visible from within..... ♥ Everyone exists in their own Universe now.... they always did... yet each was unable to see.... close your eyes and see this... then choose how you'd like to navigate and experience your own. ♥*

**LIVING THE WAKING DREAM EXPERIENCE FULLY:**

**Our DREAMS Materialize as we Choose Them OVER our Judgments, Lack and Fears... and EMBRACE all AS PURE LOVE CONSCIOUSNESS here.**

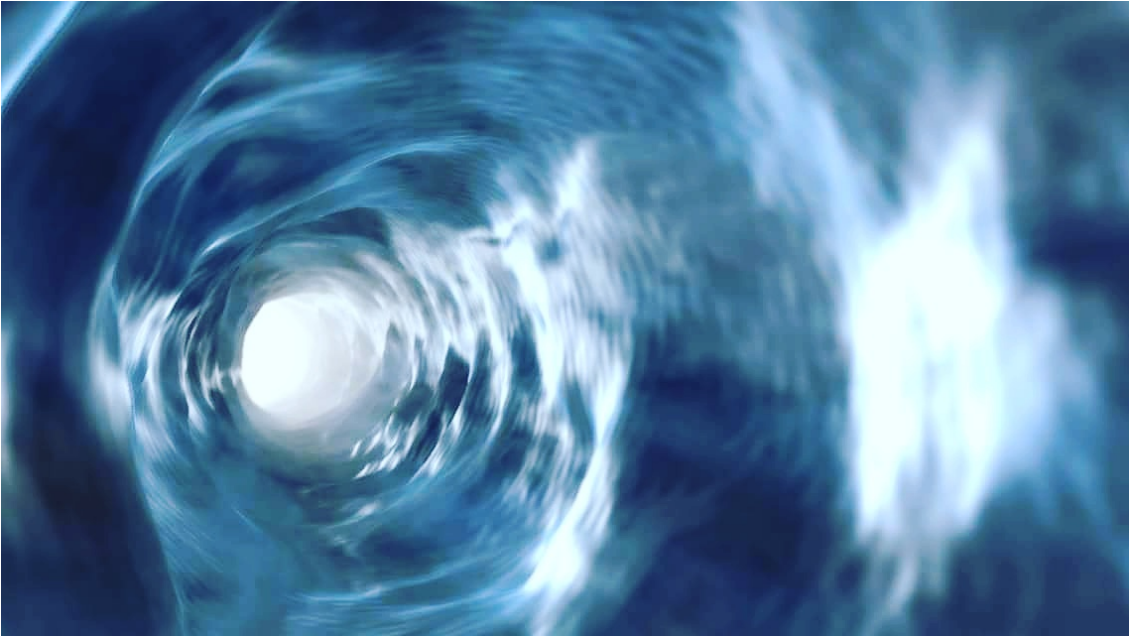

This is a part of each one of us Transcending our own Dualistic programming here.

Mine was to Live Fulfilling My Highest Service Roles here  
on/with/in LeMURia Kauai...

Which began (unfolded naturally) when I Physically Ascended....

They go hand in hand...

Opening Portals and walking through them... Literally...

All new possibilities await each of us all constantly now.  
Higher and higher and higher we all go...vibrationally.  
Multi-Dimensionally.  
Focus on Your Dreams through Your Purest Heart You.

The old no longer serves anyone... other than the human ego living in separation and duality dimensions, unconsciously perpetuating, allowing and participating in these realities as their own still. Every moment is a choice of what dimension each choose to occupy in order to experience here. Only each's ego says it's not.... because it doesn't have access to see. Each must open their hearts and minds fully to REMEMBER FULLY again.

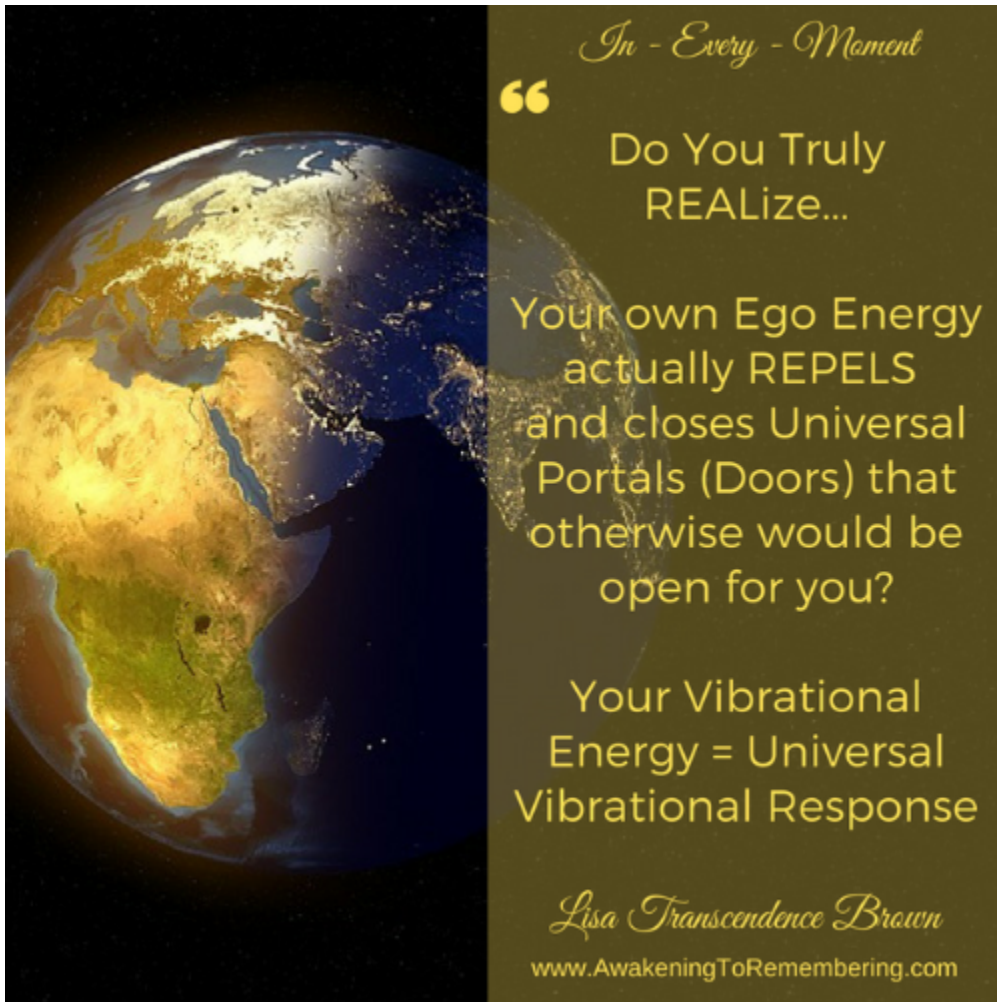

Each's Consciousness and body's vibration will dictate this.

***Keep embracing and making Magic! Abundant blessings from our beLOVED LeMURia Kauai,***

♥ Lisa ♥

Do You Truly  
REALize...

Your own Ego Energy  
actually REPELS  
and closes Universal  
Portals (Doors) that  
otherwise would be  
open for you?

Your Vibrational  
Energy = Universal  
Vibrational Response
