♥ Living AS Pure Light ♥

Aloha Star-Light Family,

Floods of powerful Cosmic Tonal Rays continue to activate through bursts, blasts and "baths" of Ultra-High Frequency Photonic Light in order to ILLUMINATE all.

These Cosmic Ray Codes and SOULar flare/CME activity intentionally change/alter/re-code Cellular (Light)Body DNA as a part of each's pre-determined/pre-agreed "Journey back into the Light".

This is a **returning** and **remembering** process that occurs from deep deep within. It's a process of RETURNING TO and THROUGH the Purest Form of Love that there is.

Living as Light means that we have chosen how we are going to live. It means that we choose to treat each other and ourselves with the utmost kindness, care and deep sacred respect, while no longer accepting the old ways as reality anymore.

Living as Light means we live from deeply humbled place of compassion, generosity and by owning our own stuff... being responsible for our own energy and how we show up....

Living as Light means we've REMEMBERED OURSELVES fully and the beautiful Divinity that we are. We REMEMBER **ALL of us** as this... and we consciously become the MIRROR to reflect this Sacred Light back to each/all... with our every act and every breath....

Each one of us agreed to be an integral part of this massive Planetary/Global Consciousness Shift...

Living through our own Light is our CHOICE as a SOUL (Light BEing) and a part of our Service Role Fulfillment, just like any other choice we each make...

- Photonic Light is Pure, forego the continual whole body-field purification process...
- ☐ Photonic Light is Love, the Purest form of Love ...
- ☐ Photonic Light is all powerful, rewriting everything...
- ☐ Photonic Light is who/what we all ARE.

HONORING LIGHT RECOGNITION EXERCISE:

Ask yourself these questions:

- ♦ Where am I projecting, deflecting and/or rejecting this beautiful aspect/part of myself, the Pure Light that I AM?
- ♦ Where am I rejecting/not recognizing/seeing/acknowledging the Light of "others", which means that I am unable to connect with the Purest Aspect of them too?

Part of all of us anchoring and activating the Codes for our NEW Earth REALities/Experiences, is BEING THE LIVING CODES in every aspect of our lives. ♥

Your Courage and Sacred Remembrance are accessed through your Inner Connection, Inner Vision and Inner Light. ☼

Immense gratitude for your service and for living your Light fully too...
